President's Letter

Dear Quilters,

Well we made it through a another month and I hope things are looking up for everyone . I am looking forward to next few months and hope to see all of us get back sewing again.

It has been a very emotional and devastating ride for all of us these last few months and will be for a long time but I have been sewing again and it has been great therapy.

If I can help anyone to get back into quilting please let me know what you need and we will see what we can do. My prayers go out to everyone.

As always stay safe,

Carol Penrod
President

Library

"The Art of Feather
Quilting"- by Judy Allen

This book would be an excellent guide for a long-arm quilter as well as a home machine quilter. This book will enable the quilter to draw any kind of feather design. It explains how to size your feathers to the space you have on your quilt. It also has feather patterns that can be used by the hand quilter or machine quilter. Check this book out at the library cart.

Thanks,
Kathy Krausnick

From Barb Palko

I made an original throw for my brother for Christmas called Pheasants, ducks, & flying geese. I used Ricky Tims 1 seam flying geese technique and it makes the most perfect flying geese every time and not cutting fabric off or having to trim them down. You just cut your 3 inch squares (2) and 3 x 5 1/2 inch rectangle (1) and "sandwich" the rectangle (wrong side folded together) between the 2 squares sewing the 1/4 inch seam down the right side and open and press a perfect piece. I found that using his technique I could even use my rectangles that I had cut 5 inches with the 3 inch squares & they came out perfect, too. Google "Ricky Tims 1 seam flying geese" to see how it's done. Hated making flying geese, now I love them!

From Sue Elliott February 24 Barbara Black will be the Guest Artist on www.thequiltshow.com. Starting that day, the show will be free for Star/paid members of The Quilt Show. The following week, March 3, it will be free for one week to Basic Members—people just have to sign up as a Basic member, which means creating an account with a username and password—no credit card required. There are always 4 FREE shows for Basic members to watch, March 3-10 Barbara's class will be one of those 4.

Here is the trailer for her program. Pay attention to the first quilt in the background as it is the one she is teaching on Saturday.
