President's Letter

Good day Quilters,

We had a great day and night meeting yesterday. I would like to thank Loretta for giving a wonderful program. She did a great job for the morning and night meetings. I also would like to thank the "Material Girls" for the great food and Alana for the great job as Hospitality Chair. She really puts a lot of work into it and makes everything look great.

Laurie Dasinger, our 2nd VP, does a great job running the night meeting. I am glad she was able to attend the day meeting as well.

We are looking for someone to fill one of our two open committee positions, "Education" and "Community Service". If anyone would like to take hold of one of them, please let me know. We can't do it without your support.

Hope to see you all next month,

Be safe as always,

Carol Penrod
President

Stained Glass Quilts Made Easy

By Amy Whalen Helmkamp

This book introduces a new way to do stain
glass quilts. The quilt is made by using fusible
web. The pattern pieces are fused to a
background of solid black fabric, leaving a 1/4"
space between the pieces, gives the appearance
of stain glass.

There are twelve patterns to try using this
technique.

Check this book out at the library cart.

Warrior Beach Retreat

The Veterans were so appreciative of all our quilts. Mary and I received so many hugs for the treasures the guild provided for the Warrior Beach retreat.

Thank you to all the members who came together to make this possible. I have a 8 quilts left over and ready for the next retreat, but will still need a few more quilts. The next retreat will be in September. The minimum size is 45 X 60 and can be any color.

Thank you for all your efforts on behalf of our Vets!

Sincerely,
Linda Kelley

"BUSY BEE" CHALLENGE

The "Busy Bees" are challenging the Guild to make 250 standard pillow cases for "Anchorage Children's Home" and "Sims Veterans Home".

If everyone in the guild made 2 pillowcases or more, we could achieve our goal.

Pillow cases are standard size 21" x 32" (1 yard fabric).

This is a great fabric stash project! You can use children's, youth, teen, women's, and men's fabric.

Bring the pillowcases to any monthly meeting, give them to Betty Marler or any "Busy Bee" member.

If you would like to donate some fabric for making pillowcases, it would be put to good use to meet our goal.

We appreciate your participation!

Thank you
