

Happy New Year!

Present Letter

We have had a very challenging year and things are looking up. I am looking forward to a new year that will be exciting, with more classes and more interactions with our new and older members. I am opened to any new ideas to get quilters together for fun activities.

Sheila has been working hard on getting classes put together for next year and has done a great job. Thank you Sheila!!

I want to thank Betty Marler and her helpers for a wonderful Christmas Party and a great Thanksgiving luncheon !!!

I Wish all a Merry Christmas and A Safe Happy New Year. Happy Holidays to all.

Thank you and as always be safe,

The meeting was called to order by Carol Penrod at 10:00 am and she led the membership in the Pledge of Allegiance. **Hospitality** Alana Yuratich advised Jim's Vacuum and Sewing is hosting Dec Sit and Stitch on Dec 4. She thanked Betty Marler and the Events Committee for the lovely decorations. The next meeting will be Dec 7, the Christmas Party, held at Bell Hall. Wear something festive. **Sunshine** - Nadine Vining read the Nov birthday list and distributed the fat quarters while the membership sang "Happy Birthday." She reminded everyone to see her to cross completed

UFO's off their list. **COMMITTEE REPORTS: Community Service** - Janet Bell made a delivery to Catholic Charities. She is collecting Stockings for Meals on Wheels Christmas treats. There is still time to turn them in at the Christmas Party.

Newsletter - Carolyn Pic. The deadline is Dec 15 for the next newsletter in January. **Quilt Show** - Beverly Pierzchala doesn't have many registration forms yet and she is hoping people are working on their quilts. Carol Schultz is in charge of turn in which will be at Bell Hall on Feb 11. Jo-Ellen Rogers advised there have been some changes in vendors, but all slots are filled. They are

going to bring back teachable moments, aiming for 4 per day. See Jo-Ellen if you have a skill you would like to do a brief demonstration on. Please turn in all ads and money for the booklet to Nadine Vining. There will be a \$75 gift card to Quilting by the Bay for the person that collects the most ad money. Registration forms for quilt

entry is due by Dec 15. **Show and**

Tell of member's quilts was enjoyed by all. With no further business to discuss and after final reminders, the general meeting was adjourned. After Grace by India Belisle the members all enjoyed a Thanksgiving feast covered dish luncheon. Respectfully submitted, Nadine Vining, for Kathy Krausnick

QUILT SHOW FINALS

Incoming show registration forms were slow coming in, causing Beverly's Christmas anxiety time. But they picked up. We still have a ways to go. My goal is 100 + and we have always met that. This year's slow response as of today, December 15, I have 83 registration forms, but 6 promised. With the time getting shorter remember to check your quilts. Do you have a sleeve and a label, which is covered? Do you know the day and time for "Turn In?"

There have been times when people missed the show because they got their days mixed up. Don't arrive on judging day to turn in your quilt! It has happened.

Now is the time to start saturating the town with our quilt cards and spreading the word about the quilt show. Wherever you go, take the cards and talk about the show. If you have not signed up to volunteer at the show or for setting up the show, do so now.

Alana is looking for donations for our wonderful Quilters Buffet. We always have good soups and all other lunch items that restores our energy. Look for her signup sheet at the meeting. Beverly will have that sheet.

Our show is always a miracle due to the enthusiastic help from the membership. There's a job for everyone. And we love everyone! Here are all the chairmen of the committees. All are looking for team members.

This machine is incredible!!! It is sturdy VERY dependable and it's the machine that has done the Guild's Ribbon Centers three out the last four years!! It is so dependable that if a design is all one color, I can tell it to go and it will have it all done in the morning. It has many hoops (7), including a 14" hoop that you do one side of a LARGE design and then turn it to do the right side of the design.

Also about 6 years. Originally \$8900!

THE HOUSE THAT JACK BUILT

<http://www.quilterscache.com>

© Jan 20 2005 Marcia Hohn

This makes a 12" block and is from the late 1800's! Today though, Jack is a batik-freak!

Please abide by the [Terms and Conditions of use!](#) :o)

** Preparing the Pieces and Sewing the Block **

z		Using the templates provided, from the Color 1 5" x 14" strip cut one square and four rectangles. From both the Color 2 and Color 3 5" x 8-1/2" strips cut four rectangles...
		Sew together a Color 1, Color 2 and Color 3 rectangle, using a 1/4" seam and pressing seams all in one direction. Add a Color 4 half square triangle to the top of this rectangle unit. Press seam towards triangle. Make four units like this...
		Now cut the Color 4 7-1/4" square in half on both diagonals to make four quarter square triangles. Then cut the Color 4 3-7/8" x 7-3/4" strip into two 3-7/8" squares. Stack these squares and cut them once on the diagonal to make four half square triangles...

Next sew a quarter square triangle to each side of two rectangle units as shown at left, pressing seams towards the triangles...

[...on to Page 2!](#)

To complete the block, sew the Color 1 square between the remaining two rectangle units. Add the pieced corner units as shown at left, and you are done! Good Job!! There are nine of Jack's houses on point, with alternating hourglass blocks

As Always...Happy Quilting!

Marcia :o)
