February 2020

President's Letter

Well 2019 is over and 2020 is in. It's going to be a great year for our guild. The quilt show is on at last and looking better than ever. Jo-Ellen and Beverly, thank you so much for your hard work. I think we need to get some help for these two special people.

Sheila has been working hard on our programs and education. Thank you for all the work on getting some wonderful classes scheduled later this year.

Betty and her bees have again done a wonderful job for our Christmas party. What a great and hardworking group on the Events committee.

Barbara Tillman will be taking charge of Fall Retreat this year. Thank you Barbara!!!

Here's to hoping for a great 2020.

Be safe.
Carol Penrod, President

QUILT SHOW

The list of the days until our show is getting shorter.

Have you:

1. Prepared all your quilts for entry (binding, sleeve, label, etc)
2. Donated an item for the Boutique or Silent Auction or Basket
3. Signed up with Betty Marler to be a volunteer
4. Offered to bring a food item for luncheon room
5. Helped with publicity
6. Signed up to help with hanging day (extra men helpful)

There are places for everyone. Our show turns out so well because of all the members who volunteer. If you saw our email message, we have 109 quilts registered to be in the show. That's just the right number.

Now we have to get them hung! That is the day when there are people moving about everywhere and it looks like chaos. But that chaos is tamed and the show is ready. Then the secret quilting elves go around putting ribbons on quilts. Oh! Happy Day.

As in previous years, there will be an Opening Night Reception. Members and their guests may come and have an early peek at the show. Alana Yuratich is our Hostess. She has planned a menu and members do not need to bring anything.

Please help us spread the word. Use your Facebook page or tell your friends that the show is on. Let's see if we can increase our attendance.

Showtime!

Bi-Monthly Block Swap

Many guild members had trouble with the template for our last exchange block, "The House That Jack Built," or had other reasons to pass on that block. Therefore, we have chosen a new block to be turned in for the drawing at the **March** meeting. Click the link and it will take you straight to the directions.

Happy sewing!

"Anvil Block". At first glance, you may think this is the same as the Box Kite block, but look closer! It is not the same!

Note from the Editor

I have had so much difficulty cutting and pasting the past bi-monthly block patterns for the newsletter, so after much consideration, I decided to just provide the link so you can access the instructions.

Thank You!
