April 2020

President's Letter

I hope you are all well and managing the quarantine. Remember we are all in this together. I hope each and everyone of you know that you have a large family in this guild. Please let us know if you are having a tough time or if you are having a good time. Let us know that too.

Get in touch with me if I can help anyone. I am looking at things that we as a guild can help in anyway.

Now to some business. I will be making phone calls for a nominating committee. We need a treasurer and a president for the next year. If you know of anyone please let me know and if you would like to be on the nominating committee as well. We need 2 people from the day group and 2 from the night group.

Thank you all ,
BE SAFE
Carol Penrod

Note from the Editor

I hope we can meet in April, keep checking your email for "Ewords" updates and please let your less computer savvy friends know too.

Hospitality

As soon as we are able to gather together at our general meeting, we will get back on schedule for our Bee sponsored refreshments. Until then, it is my hope that we all won't be on a diet after being home bound (with our pantries so available) and able to enjoy the delicious treats that always make our meetings enjoyable.

I wanted to share some flowers with you that are in my yard and patio. My Christmas cactus is confused and blooming again... I pray for our country that this confused state of rampant virus will soon be a thing of the past, never to return.

Hello Quilters

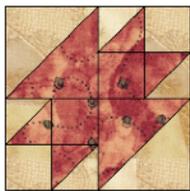

Several conversations have taken place about the need for written descriptions and timelines for what the elected officers, standing committee chairwomen, and quilt show chairwomen do throughout the year.

I am asking everyone who has served during 2018-2019 to write down a general description of your responsibilities and if there are specific times an action needs to be completed, especially for the quilt show. Please provide a timeline for those actions.

Think about a "what if" situation where someone would need to step into your shoes and do your wonderful job. This has been discussed for some several years, but we are just now getting to a point were we can complete the task.

Please send your documents to Lisa Yarbrough -

Thanks,
Lisa

So what have you been doing while you're social distancing?

Nadine Vining has been playing with the layout of her "hexies". Front and back. Sh's going to enjoy some hand stitching while she watches "Call the Midwife", Sunday on PBS.

Here are some things Carolyn Pic has been doing to keep out of trouble.

Gardening
Laundry

That freezer needs defrosting

Mary Oliver and
"Foxy"

Time for some
gardening

How about a new project?

Loretta Akerlind is very productive

Good job
washing
your hands .

Getting some painting done.

Neverending yardwork
