PRESIDENT'S LETTER

Hello Fellow Quilters,

Thank you, Barbara Tillman, for filling in for me last month. I missed seeing everyone. I heard I missed a lovely program by Mary Nielsen. Thank you Mary. I saw we had a nice turnout and added several new members. Thank you everyone for coming.

Our annual Yard Sale is this month. This is your opportunity to sell your treasures and to clean out your sewing room. We accept donations to sell at the guild yard table as well.

Summer is here in all its glory, so be sure to stay hydrated and cool while you're indoors working on your next quilt for the quilt show.

Until I see you again, keep cool and stay safe,

Respectfully submitted,
Karen Radcliff
SABQG President

The program for August is our annual "Yard Sale". You may bring your treasures to sell at the meeting. A small donation to the guild is requested if you chose to sell your treasures.

We will also have a free table and a table for donations to the quilt guild that will benefit our group. Get in those sewing rooms and find stuff that you no longer use.

Someone might really enjoy what you do not use anymore. We will start the sale after the meeting.

Thanks, Barbara Tillman

A MESSAGE FROM THE QUEEN BEE

Ok my bee subjects,

Here is some info for you. Presently we have 10 hives with 74 members, however some bees are in more than one hive. A member of the guild can join an existing hive or chose to start one. If a member chooses to start one we can advertise for members or she can recruit herself.

Hives vary according to the members. Some are very active, like the "busy bees", or just like to get together and do handwork. If you would like to join an existing hive or start one let me know
Edyth Brown

HOSPITALITY

"New Kids on the block" is a saying that describes New Comers to a particular place or organization who have not yet proved themselves. Well, Dianne Daigle, Sandy Smith and Susie Prather, New Comers to SABQG, have stepped up and proven themselves by signing up for refreshments for our August meeting.

Thank you, Ladies. Carolyn Finlayson, who has proven herself many times, has agreed to help them. If anyone else would like to contribute, please contact Susie Prather prior to our next meeting.

Thanks to the Hummingbees, great job with refreshments for July!

No Sit 'n Stitch for the month of August.

Stay safe and cool, Dear Ones! 🕶️ ☀️

The meeting was called to order at 7 pm by 2nd Vice President Carolyn Finlayson. We were very pleased to welcome 20 members and 1 new member to the meeting. The members were informed of the actions of the board. The books have been audited, Insurance Policy renewed, to date we have 135 paid members. The first session of Quilt 101 classes will end in August. There will be more classes to come. The day meeting will have soup and salad at the regular meeting for Thanksgiving. The Turkey Contest will be held at the day meeting. Night members were asked if they wanted to have our own contest, otherwise Turkeys can be made and turned in to Carolyn Pic to take to the day meeting. Ribbons will be given for the winners of the Creative Turkey Contest. A chairman is still needed for Volunteers for the Quilt Show. Fall Retreat will be Oct. 22 and 23 at the Lynn Haven Methodist Church. The time is set from 8:30 to 4:30 both days. This will be a day retreat. There will be a joint meeting the first Saturday in December for Christmas. The program, Patriotic Quilts, was given by Carolyn Finlayson and included some historic facts about the use symbols, materials, types of flags, their meaning, etc. The story of a pre- Confederate War quilt saved by Yankee soldier was shared. Thirty years after his death in 1895 the quilt was donated the Kansas Historical Society. Almost 75 years later in the late 20th century the quilt was identified using 1860 census records. The meeting was adjourned following show and tell and the drawing for a door prize.

Goose Creek Block Swap Second Chance

Five quilters handed in the Goose Creek swap blocks at the July meetings. To get enough blocks for the drawing, and by popular demand, we are continuing with the same pattern for the next drawing.

Goose Creek is a fun and versatile block made up from two 6 1/2" (unfinished) nine-patch units and two 6" (unfinished) square-in-a-square units.

Make two 12" finished (12 1/2" unfinished) Goose Creek blocks in your choice of fabrics. You can make your blocks as scrappy, or not scrappy, as you desire.

The pattern is at <https://www.quilterscache.com/G/GooseCreekBlock.html>. Every other Month Block swap
