For four of the colors, you'll cut 5 assorted squares. For the fifth color you'll cut 4 squares, plus a black square. The black square will always be in the center. The color columns may otherwise be arranged in any order. The board will be 5 columns by 5 rows.

The caller will indicate the call as: red - stripe, blue geometric, pink- dots, green - plaid, etc. After the game the squares can be donated to the community quilts, by placing them in the box provided by the refreshments.
